

U Windowsu 7 naprimer kada je pregled datoteka podešen na Details onda imate pregled datoteka sa tipom datoteke (ekstenzijom).

The screenshot shows a Windows 7 File Explorer window displaying a folder named 'Dokumenta' on the 'ARHIVA (D:)' drive. The view is set to 'Details', showing a list of 18 items. A context menu is open on the right side, with the 'Details' view option selected. The taskbar at the bottom shows the system tray with the date and time as 11:01 on 2.4.2011.
